

# MYTHS

Women like 'bad boys.'

"What she doesn't know won't hurt her."

Men have 'needs' and have the right to sex.

Women like to be treated poorly.

Sex is a game AND "no" means "yes."

Paying for dinner means she owes you sex.

Might makes "right."

You have to fight to defend your honor.

Revenge and retaliation helps someone to understand your hurt feelings.

The person making the money gets to make the decisions.

Women are TOO emotional & men ARE logical.
